EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Anthony Jones # 59,521 on 5/22/08.

The application has been amended as follows:

In specification page line 2:

- - carrier waves - -

Will be changed to :

- - ~~carrier waves~~ - -

Reason for Allowance

2. The Terminal Disclaimer file 12/19/07 has been entered the record.
3. The following is an examiner's statement of reasons for allowance:

Claims 1-45 are allow because the prior art of record did not teach or reasonably suggest, as in the exemplary claim 34, a computer readable memory structure (e.g.: a multi-port RAM, specification page 13 lines 16-22) configured for simultaneously queuing contents of packets as they are received from an InfiniBand network and storing communication reassembled from said content fro transmission external to the InfiniBand network, including a single contiguous memory shared by multiple queue pairs and virtual lanes; a subsequent control entry in said linked list; and in said single

Art Unit: 2619

contiguous shared memory, a memory bucket corresponding to said subsequent control entry; wherein said shared single contiguous memory and said shared control are configured for access by an InfiniBand receive module configured to receive said packets; and a transmit module configured to transmit said communications external to the InfiniBand network.

Claims 1,13,16,29 and 38 are contain the identical limitations set forth above. By this claims 1,13,16,29 and 38 are allowed.

Claims 2-12,14-15,17-28,30-33, 39-45 are dependent claims of 1,13,16,29 and 38 respectively. Therefore they are allowed for the same rationale set forth above as well as the further limitations they introduce.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
